

Spirale

Coil

Qualsiasi problema, difficoltà, dubbio o semplice capriccio nell'abbigliamento che va dal classico al casual, nell'arredamento e nella pelletteria, trova la sua soluzione nelle spirali YKK. Ideate per tutte le situazioni che richiedano flessibilità e versatilità queste zip si adattano ai tessuti più difficili e alle applicazioni più delicate.

All'interno della gamma, la zip invisibile 2CC è resistentissima e indispensabile nell'abbigliamento femminile e dovunque sia necessario che la zip passi inosservata. Senza dimenticare che la 2CC può essere comunemente personalizzata a richiesta e diventare in tal modo assolutamente visibile.

Le catene spirale 3, 5, 8 offrono alle ultime tendenze del mondo della moda, dell'abbigliamento tecnico e dello streetwear la possibilità di diverse soluzioni a livello di nastro oltre alle metallizzazioni della catena e agli abbinamenti, il tutto mantenendo il giusto compromesso di eleganza e versatilità, forza e resistenza ad ogni sollecitazione.

Any problem, difficulty, doubt or simple inspiration from classic wear to casual wear, from furniture to leather goods, finds a solution in YKK coil zippers. Planned for all situations that need flexibility and versatility these zippers fit in the most difficult clothes and critical applications.

In the range 2CC conceal zip is extremely resistant and essential in woman wear and wherever it is necessary to hide the zip.

Let's not forget that 2CC can be customized on request and that it can become, this way, totally visible.

Conceal zipper chains 3, 5 and 8 offer to latest trends of technical wear and streetwear, different solutions for tape and metal finishing of chain, keeping the right compromise of elegance and versatility, strength and stress resistance wherever they are required.
